CONCRETO ESTRUTURAL

Technical drawing of a mechanical part with the following dimensions:

- Overall length: 32
- Overall width: 1.5
- Length of the central section: 29
- Width of the central section: 1.5
- Radius of the fillet: R5
- Radius of the end fillet: R1.5

Technical drawing of a rectangular frame. The overall dimensions are 40 (width) by 55 (height). The inner opening is 30 (width) by 15 (height). The frame has a thickness of 5. There are four holes, one in each side of the frame. The holes are located 7 units from the top and bottom edges and 15 units from the left and right edges of the frame.

Technical drawing of a rectangular plate. The overall dimensions are 30 units in length and 5 units in width. A central slot is shown with a width of 0.5 units. The distance from the left edge to the start of the slot is 5 units, and the distance from the end of the slot to the right edge is 5 units. The slot is centered vertically, with a distance of 0.5 units from the top and bottom edges of the plate to the centerline of the slot.
