

A diagram showing a road layout with a dashed line. Two points are marked on the dashed line, labeled N4450 and N4437. A dashed line connects these two points, and a solid line connects them to a point labeled N4451. The distance between N4450 and N4437 is labeled as 101.17m. The distance between N4451 and N4437 is labeled as 100.00m. The distance between N4450 and N4451 is labeled as 100.00m. The road is labeled with a dashed line and a solid line, with a label 'DMS-230m' in orange text.
